## Mobile Bench Units

Midwest's exclusive Easy-Clean feature saves time and energy when moving tables for floor cleaning. Casters automatically lift from the floor when units are opened for use, making sure your Mobile Bench Units stay neatly aligned. Heavy-duty, 4" dia. x 1-1/4" wide, swivel casters make rolling these units effortless. All table tops are 30" wide x 29" high, 27" units are available upon request. Tabletops and benches are edged with black vinyl edge molding. Epoxy edging is available upon request. Available in either chrome or black powdercoat frame.

## Easy Floor Maintenance

Midwest's Shur-Lok mechanism with Easy-Clean, intermediate locking feature saves time and reduces back strain when performing floor maintenance.

## Mobile Shape Tables

Economy priced tables to "roll and unfold" for school luncheons, banquets, bake sales, scouting affairs, etc. One person can easily open, fold and transport even the largest models. Units feature Shur-Lok automatic gravity locks. All table tops are 29" high with black vinyl edge molding. Available in either chrome or black powdercoat frame.

Table to table coupling

## Convertible Bench Units

The Convertible Bench Unit is our most versatile product. These models can be configured to accommodate a wide range of activities. A quick flip of the back rest converts your multipurpose room from an auditorium to a lecture hall. Positioning units facing each other transforms your facility into an efficient cafeteria. Tabletops and benches are edged with black vinyl edge molding. All tabletops are 29" high. Available in black powdercoat frame finish furnished with a chrome plated leg pedestal. Optional, neoprene rubber couplings are secured to the tabletop frames to prevent the table units from separating while in use. Couplings are factory installed and must be purchased at the same time as the tables.

## Portable Stage and Seated Risers

Midwest Portable stages and seated risers are designed for compact storage and fast set up. The optional caddy allows one person to set up and tear down your stage/riser with ease. To unload, simply open the legs, release the caddy safety latch and rotate the stage/riser unit down to the floor. Drop in couplings and join the units at the same level. The deck is 3/4" thick and is constructed of solid plywood covered with tempered hardboard top and bottom. We also offer a carpeted model. If ordering the carpet model specify carpet color, Charcoal Gray, Fiesta Red, Rainforest Green, Twilight Blue, Mushroom Tan or Pewter Gray. Stages/Risers are 3' x 8' and 4' x 8' each available in four heights.

## TransFold™ Choral Risers

The TransFold™ is ready to go wherever your choir performs. Built-in wheels make it easy to roll the TransFold unit to another room, up stairways or on a bus or van. Upon arrival your TransFold risers set up in seconds so they will be ready in minutes. Midwest's exclusive, gas-spring assisted design allows the unit to open with moderate foot pressure. This also insures a safe, controlled motion when folding the unit for transportation and storage. Standard color is Charcoal Gray carpet with black frame and zinc plated legs. Additional colors available at an additional charge.
