Literature Organizers with Doors

Organize with style! Intelligent design, modern appearance, and user-friendly dust guard doors make the 30 and 60-compartment literature organizers perfect for your workspace. The translucent panel doors feature positive closure hinges to keep the doors closed without the use of a magnet. Shelves are adjustable.

Wood/Corrugated Literature Organizers

Less pricey paper storage! This economical literature organizer features 5/8" compressed wood cabinetry with laminate finish and a solid fiberboard back. Durable corrugated fiberboard inserts form twelve letter-size compartments for storing literature, stationery, and supplies. Black plastic molding doubles as a convenient labeling area (labels included).

Wood Adjustable-Compartment Literature Organizers

Versatility is very useful—organize everything in one unit! Cabinetry is formed from compressed wood with laminate finish with a solid fiberboard back for strength and rigidity. Strong hardboard shelves form letter-size compartments that adjust to increase the size of individual compartments for storage of books, 3-ring binders, or personal mementos. 9422 includes a plastic rod adapter to store and organize CD's in the bottom two compartments. Black plastic molding complements finish while doubling as a convenient labeling area. 39 1/2" wide units can be stacked up to three high or up to 72 compartments. Combine units with drawers and without drawers for ultimate flexibility.

OAK	GRAY	DESCRIPTION	W x D x H
ADJUSTABLE COMPARTMENT			
9422 MO	9422 GR	16 compartments	19 1/2 x 11 3/4 x 21"
