SERIES

## BAG HOLDERS

#231 SHOWN ABOVE

Our Bag & Net Holders come in small (18L x 12W x 35H) and large (18L x 18W x 35H) sizes & are offered in plain or plated steel. Each size is also available with or without bags (canvas or denier nylon), stem casters, wood runners or polyethylene covers. Call or e-mail for more details regarding custom options & sizes.

12	4
14	6
16	6
18	6
20	6
SP20	6
SP24	8

When ergonomics is an issue, our Spring Lift Platforms are the answer! Specifically designed to lower contents during the loading process while slowly raising them when unloading. Our platforms can be custom made to fit just about any size or style truck, bin or basket.

## REPLACEMENT LINERS

#107 SERIES

Replacement Liners are available to fit most of our standard baskets & trucks. Choose from our durable white canvas or tear & water resistant Steeletex, which is available in a variety of colors.

## LIGHT WEIGHT LINERS & CAPS

#107NYC CAP SHOWN

Steele Canvas offers a variety of Caps & Liners to fit most of our standard size trucks. Caps come with elastic in the hem and are made in either 200 Denier White Nylon or 10oz White Vinyl-Coated Nylon. Liners are made in 200 Denier White Nylon and are offered both with or without flaps. Caps & liners also fit our polyethylene carts.

#107NY LINER SHOWN

## ACCESSORIES

Push & Pull Handles are a simple yet effective back saving tool that eliminates awkward bending when pushing or pulling heavy loads. Easy to clean & a cinch to install they are an ergonomic must. Handles are available for either Canvas/Steeletex or Polyethylene baskets.

Ask our sales staff about optional wood cover accessories.

Replacement casters & parts are available for our carts & trucks. Call or e-mail for more info.

## POLYETHYLENE BULK TRUCKS

### #622 SERIES

Available in .250" (#622) & .190" (#651) thick rotationally molded polyethylene. Unless otherwise specified **standard color is white** & standard caster arrangement is **4 swivel** in the corners.

**Tilt Dump Trucks** are available in both **light duty** (1/2yd & 1yd only) and **heavy duty**. Their one piece, smooth & seamless body make them ideal for collecting, hauling & dumping material in a clean, safe & dependable manner. **Standard color** for our 1/2, 1 & 1 3/4 yd trucks is **blue**. **Standard color** for our 2 & 2 1/2 yd trucks is **grey**.

## POLY TURNABOUT TRUCKS

### #P8090 SHOWN W/ COVER

Available in a variety of sizes & with removable chrome plated shelves, our **Turnabout Trucks** are ideal for clean or soiled linen. **Options include 10oz Steel/etex caps, security covers & Spring Lift Platforms**. Please specify color & caster arrangement.

## ACCESSORIES

**Hinged poly covers** are available for **12, 14 & 16 bushel** polyethylene trucks & liners

**Spring lift platforms** are available for most of our polyethylene products & are an inexpensive & efficient way to **reduce back injuries & worker fatigue**. Call or e-mail for more details.

**Push & Pull Handles** not only eliminate bending fatigue but also make pushing full trucks less of an effort. Available for both **Canvas/Steel/etex (#PPO3)** and **Polyethylene trucks (#PPO4)**.

Optional **18oz grey vinyl-coated nylon cap w/ elastic** in the hem is available for all our **Tilt Dump** sizes.

## POLY FLARE TRUCKS

**Poly Flare Trucks** are ideal for **moving & storing bulky items** & uniquely designed for **easy loading & unloading**. With their **ribbed single-mold design & steel reinforced sides**, these trucks handle the toughest loads with ease & accessibility. Please specify color & caster arrangement.
