

Flipper Conference & Training Tables

- Easily create a multipurpose work area with our innovative and versatile line of Flipper conference and training tables. A variety of shapes and multiple configuration options allow superior versatility even in unconventional rooms or settings.
- Circular or U-shaped conference tables with space in the center for presentation furniture and equipment are easy to configure. Flipper Tables can also form oval conference tables, or can easily be set up as training room tables, ideal for the office or educational setting. Create a custom configuration to fit your needs.
- Manufactured from 1 ¼" vacuum-formed PVC, the table tops are available with a teak or mahogany wood grain finish and include grommets and integrated cable conduits for easy cable management.
- The top of each table flips back with a simple lever mechanism, allowing the tables to be nested together for easy mobility and space-saving storage.
- Each table rolls easily out of the way on 2" casters (two locking). The durable frame is manufactured from black powder-coated steel for superior strength and durability, and includes a perforated steel modesty panel for ventilation and breathability.
