

LAB STOOL ORDER NOW

- Modern and attractive, the Trax stool features a self-skinned urethane seat and back with an industrial molded pattern, designed to imitate the look of diamond plating.
- The swiveling seat measures 17"W x 16 1/2"D and adjusts in height from 22" to 32" to work with a variety of user and table heights. The chrome footrest provides leg support and is adjustable to each user's comfort.
- The stool includes a 5-star nylon resin reinforced base with dual-wheel casters for easy mobility.
- The easy to assemble stool can be put together in less than 15 minutes.
