

Roll-Top Security Truck

MODEL #EDG1000

The Ultimate Linen Exchange Cart that Pays for Itself —Featuring the exclusive Roll-Top Door.

- Pilfer-Proof: secure containment prevents pilferage; lowers replacement costs. Patented white roll-top tambour door is self-storing; no hinges to interfere with storage and transport, even when open.
- No More Cart Covers: goods stay sanitary and secure under the strong roll-top tambour door — made from the same durable polymers that resist weather and cracking in vinyl windows.
- Lockable: rugged hardened steel hasp can lock door tight. Hidden metal reinforcements add strength and security.
- Adjustable Shelving: chrome-plated, heavy-duty wire or solid stainless steel; as many as needed, where needed. Or hanging garment rack.

Mobile Closet

MODEL #EDG1262

From SPD to Linen Exchange. Its Versatility is Unmatched — Combines the large size advantage of the Work-Horse (**Model #EDG1200**) with the flexible shelving of the Roll-Top Security Truck (**Model #EDG1000**). Oversize capacity and adjustable shelf design add to efficiency and economy of operation. Vinyl cover provides complete enclosure — Meets J.C.A.H.O. requirements. Heavy-duty 8" casters allow total ease of movement even when fully loaded. (Available in smaller **Model #EDG1248** and Turnabout **Model #EDG1250**. Shelves convert to bin truck.)
