

Room Identification Flag System

6-Flag Room Identification Flag System

high quality Room ID Flag Systems organize your office and workplace. They assure confidentiality for your patients while promoting staff efficiency to keep operations running smoothly.

- Great for exam rooms, clinics, surgery centers and emergency areas
- Standard 6-Flag System features 6 highly visible flags in 8" or 4" styles
- Constructed of durable painted aluminum for a vibrant appearance
- Flags swing 180 degrees and can be inverted to reverse the color order
- Lightweight and easy to mount
- Standard color order is red, blue, orange, green, yellow and grey
- Non-electrical, quiet operation
