

### Wall Units

The wall-mounted Tarifold organizer places all frequently referenced information at your fingertips. Wall-mount plate allows for ergonomic placement at eye level on any vertical surface. This versatile wall organizer includes 10 assorted-color pockets for

displaying 20 reference sheets (8½" x 11"). It comes complete with mounting plate hardware and color-coded, insertable index tabs for quick reference. To expand your capacity, simply mount additional units side by side. Also available with antimicrobial pockets.

## Rotary Units

The ideal solution for literature/point-of-purchase displays as well as information that must be shared by multiple users. System

includes the base with rotary page holder and 50 pockets to display up to 100 sheets (8½" x 11") for quick reference.

R295

MODEL #	DESCRIPTION	SHIPPING WEIGHT LBS.	PACKAGING		LIST PRICE EACH
			PACK	CARTON

R281	Orbital Reference Display – 10 Pockets – Gray	3.6	1	1	132.95

## Pivoting Pockets

Clear plastic pockets protect your documents (8½" x 11") from spills, smudges and dirt. Tarifold one-piece steelwire pocket frames keep pockets rigid while still being

flexible enough to pop documents in and out of your wall, desk or rotary mounting mechanism. Color-coded frames for easy indexing complete with snap-on tabs.
